Supplemental Information (optional)

This screen may be used to help the reader better understand the data you have provided, or to help a prospective student-athlete make an informed choice of an athletics program. This information will be viewable on the EADA public website. Please do not include the names of individuals or write messages to the help desk. To explain specific data entered on a previous screen, please use the caveat box on that screen.

Our Institution is the Intercollegiate Athletic League (IAI) since 1929. We participate in this League as one unit. Our students can be part of the varsity team, even though they study at one of our nine campuses. Most of the athletic facilities are in San German Campus, where the main office of the Institutional Athletic Department is located. That is the reason why the data that we submit in this survey contains students athlete information from all campuses. The data in this survey are : San German, Aguadilla, Arecibo, Bayamón, Barranquitas, Fajardo, Guayama, Ponce and Metropolitan campus.
