

The Inter American University, Bayamón Campus is approved for the training of students under the various GI Bill® programs. Veterans intending to enroll and receive VA educational benefits should submit an application through the Registrar's Office of the campus in which they intend to pursue studies. At the Bayamon Campus **Mrs. Suhail Brunet** is the school certifying official and point of contact. You can contact her by email at sbrunet@bayamon.inter.edu or visit the Registrar's Office.

The beneficiaries of educational services for veterans, including eligible family relatives, have the right to enjoy these benefits only for the period required for completing their academic degree as established in the General Catalog and by applicable legislation and regulation. Below you will find important information about the application for benefits offered to students who are active military, Reserve, National Guard, spouse and dependent veterans. Service Members should speak with their educational services officers or counselor within their military service prior to officially enrolling in the institution of their choice.

Study centers, like academic programs, require authorization from the Veterans Approving Agency of the Department of Education. You should check with the official veteran certifier if the concentration you chose is approved for you to use Veterans Affairs benefits.

In order for your license to be certified to Veterans Affairs (VA) you must:

1. Request credit transcripts from all the institutions in which you have studied and have been validated everything that applies to your study program. You cannot refuse any validation.
2. Go through the identity verification process with the Admissions staff.
3. Have declared a major approved by the Veterans Approving Agency.
4. Send Certificate of Eligibility or confirmation page of the electronic application to sbrunet@bayamon.inter.edu, copy of the form sent by postal mail is accepted.
5. Attach your DD-214 Member 4 form if the requested benefit has not yet been approved.
6. Complete the application form that will be sent by the certifier along with the document *Responsibilities as a Veterans beneficiary*; make sure you understand them and keep a copy for reference.
7. Authorize by email each time you complete a new registration or make changes to it. **Remember that dropping out and stopping in or attending a course are changes in your enrollment and you must inform them immediately.**
8. Notify if you change major or add a minor.

9. Inform the official certifier if they requested or were granted other financial assistance in addition to the FAFSA or Pell (applies to Chapters 33 and 31).

ARMY TUITION ASSISTANCE (TA)

<https://www.goarmyed.com/>

Pays directly to the university the cost of credits for courses approved by the federal agency (up to 16 credits per fiscal year). The student is the one who applies for the benefit through the GoArmyEd portal or with the help of an Army Education specialist. The student must go through the identity verification process and have a pre-registration so that the Registry staff working with Veterans affairs can send the required documents via email. Any request for documents for TA must be made to the email sbrunet@bayamon.inter.edu or lnieves@bayamon.inter.edu in a minimum of two weeks before the start of classes.

TA will not approve aid after the beginning of the academic term.

When you obtain approval for your courses, you must send it to recaudaciones@bayamon.inter.edu with a copy to sbrunet@bayamon.inter.edu with the Acceptance of Charges form. The student must cover the costs of fees not covered by TA with other financial aids (Pell Grant, etc) or with their own funds.
